

# CASE STUDY : VISA, 1 SHELDON SQUARE, PADDINGTON, LONDON

The Visa project is a CAT B design interior fit-out in Paddington, London. The completed and ongoing phases are approximately 168,000 sq. ft. over 9 floors. The fit-out consists of styled offices, meeting rooms and breakout areas of varying finishes and designs.

When completed, this will be the largest project that Profixed have completed to date. Delivering a high-end finish on all drylining, partitioning, glazed partitions and acoustic works. To work on a project of this nature, Profixed have had to ensure security checks on all operatives and maintain a high level of professionalism at all times.

15 May 2020	Visa Level 4 West	9.3/10

### Site Safety Audit—9 June 2020

"Safety conditions on site were good. It was pleasing to observe that the Profixed team have kept their working area exceptionally clean despite pockets of debris from other trades. Dust management good throughout the site. All Profixed operatives have understood their safe systems of work, including the new version 4 Site Operating Procedures for Covid-19 and the associated risk assessment." **Nicholas Proctor, Principle Consultant | Nicholas James Health & Safety Solutions Limited**
